The Anaconda office of the Rocky Mountain Telegraph company has been removed to convenient quarters in the main office of the Montana. The line is equipped for prompt and careful service on all local and through business, east or west. The Rocky Mountain line has much the larger share of the telegraph business of this city. The patronage of the public is solicited.

THE WEATHER.

The daily record of the thermometer in this city is reported by A. T. Playter, druggist, corner Main and First streets. The record for yesterday was: 7 a. m., 48 degrees above; 12 m., 61 degrees above; 4 p. m., 72 degrees above; 8 p. m., 63 degrees above.

ABOUT THE CITY.

Both Warm Springs and Gregson Springs were crowded with visitors from this city and Butte.

No services were held at St. Mark's church last evening owing to the absence of the rector, Dr. Quinn.

The Juvenile Hose company will meet at the fire house at 7:30 o'clock this evening. The company will turn out for practice.

The Rod and Gun club did not hold a regular practice shoot yesterday owing to the absence of several of the members of the club.

Frank Gorham, Silven Hughes and R. Kunkle spent the day up the creek yesterday on a still hunt for trout. They were very successful.

The dates of the Deer Lodge races have been changed from July 2-4 to July 4-7. A large delegation of Anaconda sports will probably attend the races on the fourth.

J. V. Suprenant and Dr. St. Jean made a fishing trip to Lost creek yesterday. The doctor came out ahead, and is confident that he is one of the best fishermen in town.

The mountains are covered with verdure and present a fine appearance than for several years. They were dotted with people yesterday in search of wild flowers.

Arrangements have been completed for the celebration to be held at the Valley picnic grounds on July 4. No expense has been spared to make the affair a great success.

A special meeting of the Juvenile Hose company will be held at the fire house at 7:30 o'clock to-morrow evening. The question of participating in the Fourth of July celebration will be brought up.

The members of the picnic party which left for Yankee Flats yesterday morning report that they had an excellent time. The party returned late in the evening, tired out from the exertions of the day.

The Copper City wheelmen made a trip to the race track yesterday afternoon and engaged in practice. The new club uniforms have arrived and are very neat. They were worn for the first time yesterday.

A party of local sports made a trip to the valley yesterday, intending to scare up a few jacks and have a race. The jacks were not to be found, and the sports returned with broken feelings and vacant expressions upon their countenances.

The members of the Standard ball club was out for practice yesterday and showed up in excellent form, although several of the players were a trifle rusty. Arrangements are making for a match with Phillipsburg at that camp on July 4.

At the meeting held at the fire house on Saturday evening the fire department decided not to take any part in the Fourth of July celebration. It was thought it would be difficult to get enough members of the company together to make a good showing.

A little brown bird flew into A. T. Playter's drug store yesterday. It was captured and placed in a cage. It appears to be very tame. Mr. Playter thinks it escaped from some cage about the city, and says the owner can have it by calling at his store.

A number of lacrosse players are showing some of their old-time interest in the popular game and the chances are good for the organization of a team at an early day. The majority of last year's players are in the city, and it would require but little effort to effect a permanent organization.

Teachers' Excursion.

For the National Educational convention at Toronto, July 11, the Great Northern Railway line (Montana Central railway) will sell tickets from Butte to Toronto and return for \$71.95, plus \$2 for membership fee. Tickets on sale July 6 to 11, with final limit September 30. For particulars as to routes, etc., call at Great Northern office, 100 Main street.

Pictures of the Floral Display.

Mr. Hawes succeeded in getting a very successful picture of the floral decorations at the Presbyterian church last Monday. The many who have made inquiries can see the finished picture at the gallery after today.

For Rent.

Two handsome offices in the STANDARD building.

FROM A FAMOUS AUTHOR

Mrs. Hayne Receives a Letter From Francis Hodgson Burnett.

HER WARM HEART MANIFEST

The Creator of "Little Lord Fauntleroy" Says That Little Frankie Wilton Reminds Her of Her Son Vivian.

Mrs. Hayne Wilton, in receipt of a letter from Mrs. Francis Hodgson Burnett, the author of the novel "Little Lord Fauntleroy," the dramatization of which was produced at the opera house so successfully some time ago. The letter reads:

44 LENHAM GARDENS, SOUTH KENSINGTON, I.
 Dear Mrs. Wilton: Your letter after many wanderings found me at last at my home in London, where it is my habit to spend part of the summer. I have been in Italy ever since December, when my dearest boy died in Paris. You are indeed most happy in the dear little fellow Frankie who's picture you send me. "God bless him all the days and God keep him all the nights." Give him my love, and tell him how glad I am to hear of another boy who loves his mama, as my two have always loved me—I have only one left to me on earth, and now in my deep trouble he seems my only reason for living. His name is Vivian. It was his older brother Lionel whom I lost. There was only one month's difference in their ages. It was Vivian who suggested to me the story of "Little Lord Fauntleroy." Strangely enough a moment ago my private secretary came and saw the photograph of your boy, and exclaimed "What a fine little fellow how he reminds me of Vivian!" But Vivian is quite a big boy now. With kindest wishes for you and the dear little fellow, I am sincerely yours,
 FRANCES HODGSON BURNETT.

A number of appointments have been made in John A. Logan Camp No. 5, Sons of Veterans. T. W. Hayes has been chosen chaplain, W. W. Priestly second lieutenant and R. H. Hoyt sergeant of the guard. Colonel Morrison has been elected First Lieutenant Golden to assume command of the camp in the absence of Captain Bertch.

Alderman King Abroad.

From the Bozeman Chronicle.
 L. A. King, one of the prominent merchants of Anaconda, who is now here, is anything but a disconsolate man, such as one would expect to see from Anaconda, where the works have closed down and not only directly affected Anaconda, the whole of Montana, but parts of Utah and Wyoming. He believes that work will be resumed in 30 days, and with that view of the situation is taking a holiday, preparatory to re-entering actively into business soon again.

After the Dogs Again.

The dog pound is almost completely free from water at present and a number of canines have been captured and placed under lock and key. Owners of the missing animals should call for them at once.

A controversy upon the cruelty of firing horses has received an interesting contribution from Bombay. Horses and bullocks are fired there, it seems, but the practice is extended to the firing of babies as a cure for stomach ache. In a certain village, the writer says, it was difficult to find man, woman or child whose stomach was not scarred with fire marks.

The Northern Pacific will sell on the 15th of next month round trip excursion tickets as follows: Butte to San Francisco via Portland, both directions, \$75; San Francisco, going via Portland and returning via Ogden, \$90; to Los Angeles, going via Portland and San Francisco and returning via Sacramento and Ogden, \$99.50.
